**you want the
best for your child.
ywca cec provides it**

The YWCA Child Enrichment Center (CEC) has provided quality, enriched and affordable childcare to area families since 1975. We are a diverse population, based in a large, secure building that's convenient to downtown businesses and public transportation.

State-licensed and meeting all standards for childcare and food service, we offer:

- a warm and friendly learning and social environment
- well-balanced mix of physical, play and learning activities
- programs designed to stimulate growth, well-being and self-esteem
- creative, age-appropriate programming
- diligent supervision and personal attention
- opportunities to explore, create and interact
- three fenced playgrounds for essential outdoor time
- nutritious breakfast, lunch and afternoon snacks
- after-lunch quiet time and rest period
- secure check-in/check-out
- caring, dedicated, professional staff

babies, tykes and pre-teens

The YWCA CEC cares for children ranging in age from six weeks to 12 years. Each program is state-licensed. Full-day children enjoy a nutritious breakfast, lunch and afternoon snack based on federal food guidelines. After-school CEC kids receive a nutritious afternoon snack.
